MONITOR MOUNTS

SIMPLY FULLY FLEXIBLE

ERGONOMIC, SMOOTH, FLEXIBLE – OUR AGILE ALL-ROUNDERS OFFER
OUTSTANDING CONVENIENCE AT THE DESK AND IN THE OFFICE

The Basic Series

The monitor mount is the perfect addition to the ergonomic workplace and adapts to all of your everyday requirements.

- With its slim base, the robust monitor stand is the space-saving solution for the desk at home or in the office
- The integrated cable management system of the monitor arm protects the cables and creates a clean look without cable clutter
- Installation is quick and easy with the included mounting material, either using a screw with drill hole or a table clamp that can be removed without leaving any residue
- Recommended tabletop thickness for both mounting variants of the monitor stand: 10-85 mm
- The monitor mount is compatible with the VESA® standards 75x75 mm and 100x100 mm

Goobay Basic

Monitor Mount Single Flex

for curved and flat monitors between 17 and 32 inches (43-81 cm) up to 8 kg

- Perfect for the stable desk mounting of a screen up to 8 kg via a clamp, height-adjustable, 90° tiltable, 180° swivelling, 360° rotation
- Incl. removable, VESA®-compatible mounting plate for an easy replacement of individual monitors without tools

58528 Retail Box

RRP 39.99 €

Goobay Basic

Dual Monitor Mount Flex

for curved and flat monitors between 17 and 32 inches (43-81 cm) up to 8 kg each

- Perfect for the stable desk mounting of two screens up to 8 kg each, height-adjustable, 90° tiltable, 180° swivelling, 360° rotation
- Incl. removable, VESA®-compatible mounting plate for an easy replacement of individual monitors without tools

58529 Retail Box

RRP 49.99 €

Goobay Basic

Double Monitor Mount Fix

for curved and flat monitors between 17 and 32 inches (43-81 cm) up to 9 kg each

- Perfect for the stable desk mounting of two screens up to 9 kg each, height-adjustable, 45° tiltable, 15° swivelling, 180° rotation
- Easy to align: The horizontal rail allows for swivelling two monitors at a fixed angle to each other with just one hand movement

59394 Retail Box

RRP 49.99 €

Goobay Basic

Monitor Mount with Gas Spring

for curved and flat monitors between 17 and 32 inches (43-81 cm) up to 9 kg

- Perfect for the stable desk mounting of a screen up to 9 kg, height-adjustable, swivelling and tilting
- Thanks to the gas spring, you can easily bring the monitor into the ideal, ergonomic position at any time without any effort - whether for working, gaming or video calls

58530 Retail Box

RRP 49.99 €

Goobay Basic

Double Monitor Mount with Gas Spring

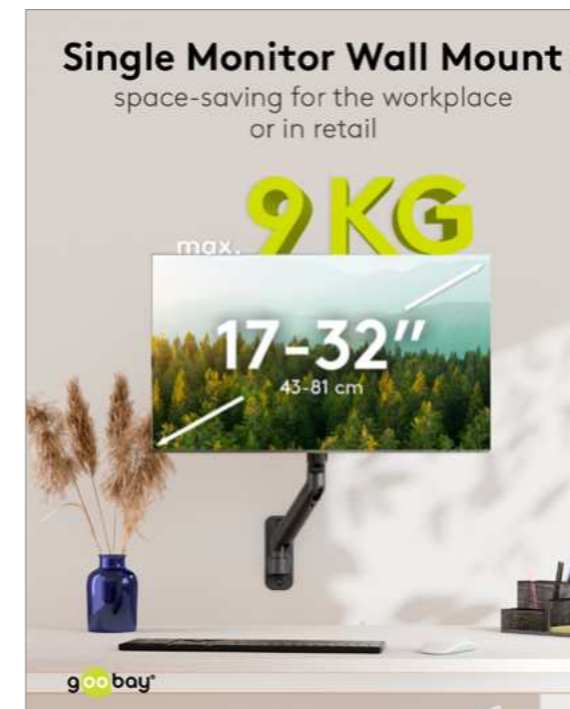

for curved and flat monitors between 17 and 32 inches (43-81 cm) up to 9 kg each

- Perfect for the stable desk mounting of two screens up to 9 kg each, freely height-adjustable, swivelling and tilting
- Thanks to the gas spring, you can easily bring the monitors into the ideal, ergonomic position at any time without any effort - whether for working, gaming or video calls

58531 Retail Box

RRP 89.99 €

Goobay

Single Monitor Wall Mount

for monitors from 17 to 32 inches (43 - 81 cm), max. 9 kg, for wall mounting

- The robust metal wall mount is the space-saving solution for monitors - wherever there is no table or insufficient space
- Handy solution for the workstation in the office or mobile office, but also for POS applications in retail and for attaching information monitors
- Perfect for stable desk mounting of a screen up to 9 kg, height adjustable, $\pm 90^\circ$ swivelling and $\pm 90^\circ$ tilting, 180° rotation
- Thanks to the mechanical spring with flexible pressure level, you can easily bring the monitor into the ideal, ergonomic position at any time without any effort - whether for working, gaming or video calls

70820 Brown Box

RRP 49.99 €

Goobay Basic

Freestanding Single Monitor Mount

for monitors from 17 to 32 inches (43 - 81 cm), max. 8 kg, fully flexible table stand

- In contrast to conventional, static monitor stands, this model can be flexibly adjusted in order to freely tilt and swivel the monitor
- The free-standing monitor stand can be easily transported if required - without the need for time-consuming unscrewing from the table top and subsequent reattachment
- Perfect as a stable table mount for a screen weighing up to 8kg, height-adjustable, $\pm 25^\circ$ swivelling and $+10/-15^\circ$ tilting, 180° rotation
- Thanks to the gas spring with flexible pressure level, you can easily bring the monitor into the ideal, ergonomic position at any time without any effort - whether for working, gaming or video calls

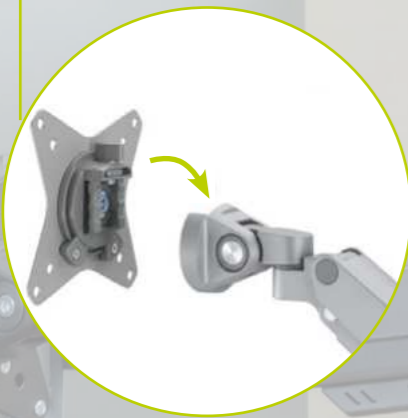

70821 Brown Box

RRP 69.99 €

The Pro Series

for the professional sector

Detachable VESA Plate
for quick attachment
and detachment

With Gas Spring Power
Individually adjustable when
mounted

Topside Installation
no more crawling under desks, clamp
and grommet options included

Quick-Release Joint
for easy user assembly while reducing
packaging size (perfect for e-commerce
platform sellers)

Quick and easy installation
Metal arm for a long service life
Fully adjustable when mounted

The Pro Series

With its slim base, the robust metal monitor stand is the space-saving solution for the desk in the office or at home.

- User-friendly installation thanks to the easy-access screw on the top of the base, without in-convenient attachment under the table and without moving heavy tables away from the wall
- Thanks to the gas spring with adjustable pressure level, you can easily bring the monitor into the ideal, ergonomic position at any time without any effort - whether for working, gaming or video calls
- The compact stand creates additional space on the desk and ensures a clean look with the integrated cable management system.
- The monitor mount is compatible with the VESA® standards 75x75 mm and 100x100 mm

Goobay Pro

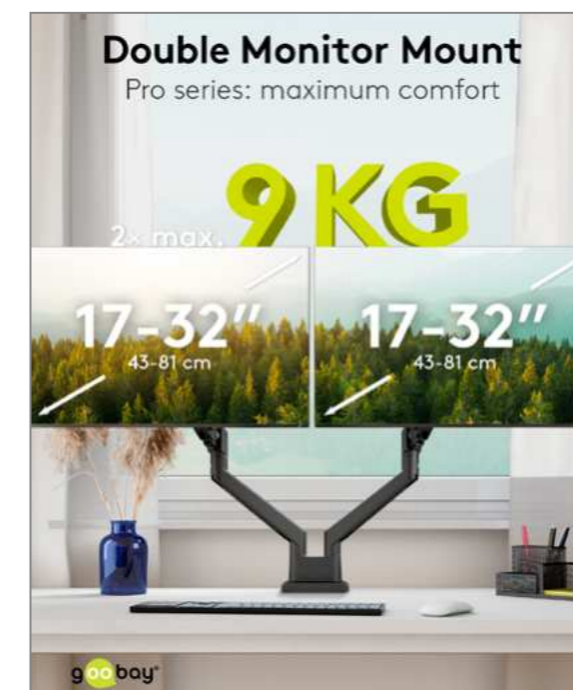

Single Monitor Mount with Gas Spring

for monitors from 17 to 32 inches (43 - 81 cm), max. 9 kg, easy snap-in mounting of the arms

- Perfect for stable table mounting of a screen up to 9 kg, height-adjustable, $\pm 90^\circ$ swivelling and $\pm 45^\circ$ tilting, 180° rotation, recommended table top thickness: 10-50 mm

Goobay Pro

Dual Monitor Mount with Gas Spring

for monitors from 17 to 32 inches (43 - 81 cm), max. 9 kg per monitor, easy snap-in mounting of the arms

- Perfect for stable table mounting of two screens up to 9 kg each, height-adjustable, $\pm 90^\circ$ swivelling and $\pm 45^\circ$ tilting, 180° rotation, recommended tabletop thickness: 10-50 mm

70814 Brown Box RRP 129.99 €

Workstation

Flexible monitor mount with shelf for a mobile laptop, which can be used as a second monitor in the office and taken to meetings at any time.

Goobay

Monitor Mount with Laptop Arm Flex

workstation for monitors from 13 to 32 inches (33 - 81 cm) plus a laptop, monitor max. 8 kg/laptop 4.5 kg

- Perfect for stable table mounting of a screen up to 8 kg and a laptop up to 4.5 kg, height-adjustable, $\pm 90^\circ$ swivelling and $\pm 45^\circ$ tilting, 180° rotation, recommended tabletop thickness: 10-88 mm
- With the slim base, the robust monitor stand is the space-saving solution for the desk at home or in the office
- With ventilation slots for effective air circulation, the laptop stand prevents potential heat build-up under the device
- The integrated cable management system of the monitor arm protects the cables and creates a clean look without cable clutter

70815 Brown Box RRP 59.99 €

Goobay Pro

Deluxe Monitor Mount with Laptop Arm

workstation for monitors from 17 to 32 inches (43 - 81 cm) plus a laptop, monitor max. 8 kg/laptop 5 kg, easy snap-in mounting of the arms

- The Pro series for the professional sector: Robust monitor holder with shelf for a mobile laptop that can be used as a second monitor in the office and taken to meetings at any time
- Perfect for stable table mounting of a screen up to 8 kg and a laptop up to 5 kg, height-adjustable, $\pm 90^\circ$ swivelling and $+90^\circ/-30^\circ$ tilting, 180° rotation, recommended tabletop thickness: 10-80 mm
- The padded clamping jaws can be flexibly adjusted to the size of the laptop and ensure a secure hold

74417 Brown Box RRP 119.99 €

Laptop Mount

Perfect as a stand for a mobile laptop that can be used as a main or second monitor in the office and can be taken along to meetings at any time. Universally suitable, it can be mounted on any Goobay monitor mount.

- Practical, robust metal laptop mount for monitor arms with VESA®-compatible mounting plates
- With ventilation slots for effective air circulation, the laptop stand prevents potential heat build-up under the device
- The laptop mount is compatible with the VESA® standards 75x75 mm and 100x100 mm

Goobay Basic

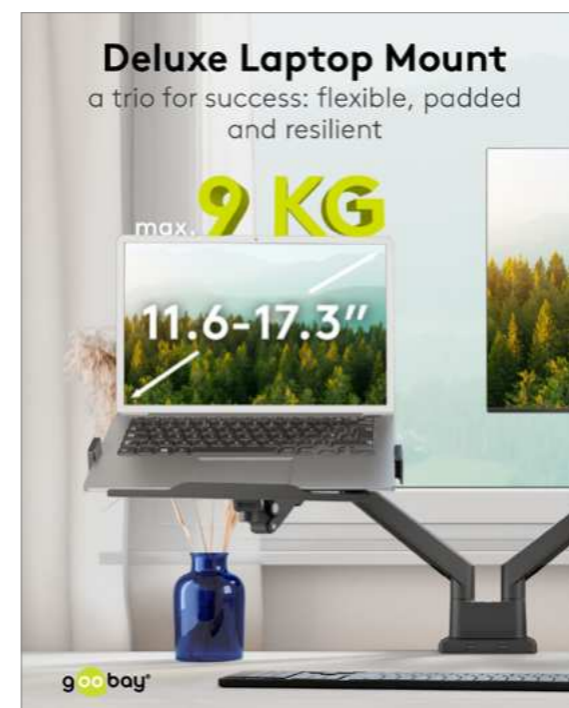

Laptop Mount for Monitor Arm

for monitors from 10 to 15.6 inches (25 - 40 cm), max. 4.5 kg, for mounting on a monitor mount

- Adjustable clamping jaws on the side to hold the device firmly and securely in position
- With ventilation slots for effective air circulation, the laptop stand prevents potential heat build-up under the device
- Suitable as a replacement or addition to a dual monitor mount

70817 Brown Box RRP 19.99 €

Goobay Basic

Deluxe Laptop Mount for Monitor Arm

for monitors from 11.6 to 17.3 inches (29 - 44 cm), max. 9 kg, for mounting on a monitor mount

- Padded clamping jaws with spring mechanism to hold the laptop firmly and securely in position without scratching or damaging the device
- Suitable as a replacement or addition to a dual monitor mount

70818 Brown Box RRP 24.99 €

Gaming & Business Curved XL

Heavy-duty monitor mount for the safe handling of XL monitors in the gaming and office sector: with its slim base, the robust metal monitor stand is the space-saving solution for the desk.

Goobay Basic

Single Monitor Mount with Gas Spring

for XL monitors from 17 to 49 inches (43 - 124 cm), max. 20 kg, tailored to large and heavy gaming and business monitors

- Thanks to the gas spring with flexible pressure level, you can easily bring the monitor into the ideal, ergonomic position at any time without any effort - whether for working, gaming or video calls
- User-friendly installation thanks to the easy-access screw on the top of the base, without inconvenient attachment under the table and without moving heavy tables away from the wall
- Perfect for stable table mounting of a screen up to 20 kg, heightadjustable, ±90° swivelling and +50°/-20° tilting, 180° rotation, recommended tabletop thickness: 12-50 mm
- Installation is quick and easy with the included mounting material, either using a screw with drill hole or a table clamp that can be removed without leaving any residue
- Incl. removable, VESA®-compatible mounting plate for easy replacement of individual monitors without tools
- The monitor mount is compatible with the VESA® standards 75x75 mm and 100x100 mm

The FIXED Basic Series

With the minimalist FIXED series, you can mount your TV on the wall – ultra-flat and completely reliably. The TV mounts ensure a harmonious room appearance and a clean finish with minimal wall clearance.

Goobay Basic

TV Wall Mount Basic FIXED (Size S)

for TV sets and monitors from 23 to 42 inch (58-107 cm), up to 25 kg

- attaches the TV in a fixed position only 15 mm from the wall
- perfect for small TV sets in niches or above wall units such as in the kit
- suitable for TV sets of common sizes (e. g. 24 inch, 27 inch, 32 inch, 40 inch) and brands (Samsung, Sony, Philips, LG etc.) with QLED and LED
- easy mounting, compatible with VESA standards 75x75 and 100x100

58523 Retail Box RRP 9.99 €

Goobay Basic

TV wall mount Basic FIXED (M)

for TVs from 32 to 55 inch (81-140 cm), up to 35 kg

- The extremely flat wall mount keeps the TV elegantly flat and space-saving on the wall with only 20.5 mm.
- The open frame structure supports ventilation of the TV and allows access to the rear connections.
- Suitable wall bracket for most flat and curved televisions of all popular brands (e. g. Samsung (also QLED and LED), Sony, Philips, LG) and sizes (e. g. 32 inch, 40 inch, 43 inch, 49 inch, 50 inch, 55 inch)
- Easy mounting and compatible with VESA standards 200x200, 300x300, 400x200, 400x400.

49730 Retail Box RRP 14.99 €

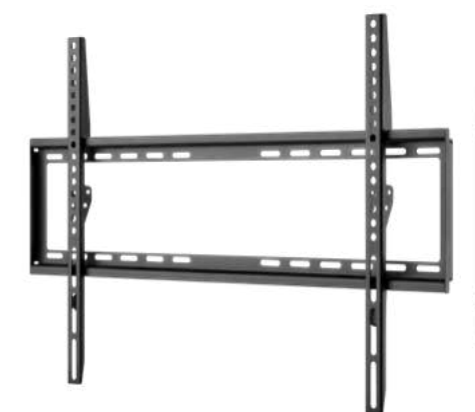

Goobay Basic

TV wall mount Basic FIXED (L)

for TVs from 37 to 70 inch (94-178 cm), up to 35 kg

- The extremely flat wall mount keeps the TV elegantly flat and space-saving on the wall with only 20.5 mm.
- The open frame structure supports ventilation of the TV and allows access to the rear connections.
- Suitable wall bracket for most flat and curved TVs of all popular brands (e. g. Samsung (also QLED and LED), Sony, Philips, LG) and sizes (e. g. 40 inch, 43 inch, 49 inch, 50 inch, 55 inch, 58 inch, 65 inch)
- Easy mounting and compatible with VESA standards 200x200, 300x300, 400x200, 400x400, 600x400.

49732 Retail Box RRP 19.99 €

Goobay Basic

TV wall mount Basic FIXED (XL)

for TVs from 43 to 100 inch (109-254 cm), up to 75 kg

- The extremely flat wall mount keeps the TV elegantly flat and space-saving on the wall with only 30 mm.
- The open frame structure supports ventilation of the TV and allows access to the rear connections.
- The integrated spirit level ensures easy alignment of the installation.
- The TV wall bracket is suitable for most curved and flat screen TVs of popular brands, e.g. Samsung (QLED and LED), Sony, Philips and LG, as well as for many sizes (e.g. 50 inch, 55 inch, 58 inch, 65 inch, 75 inch, 85 inch)
- Easy mounting and compatible with VESA standards 200x200, 300x300, 400x200, 400x400, 600x400, 800x400.

49742 Retail Box RRP 24.99 €

Goobay Basic

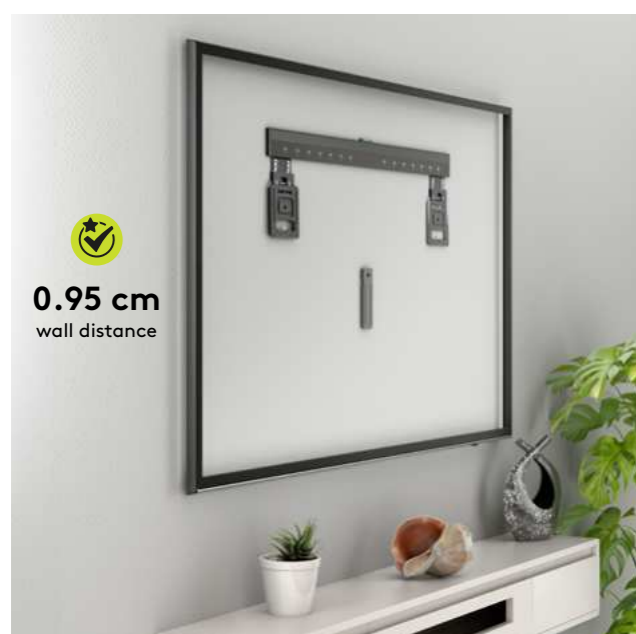

Ultraslim TV Wall Mount Basic FIXED (XL)

mount for TVs from 43 to 100 inches (109–254 cm), max. 75 kg, ultra-flat design with 9.5 mm wall distance

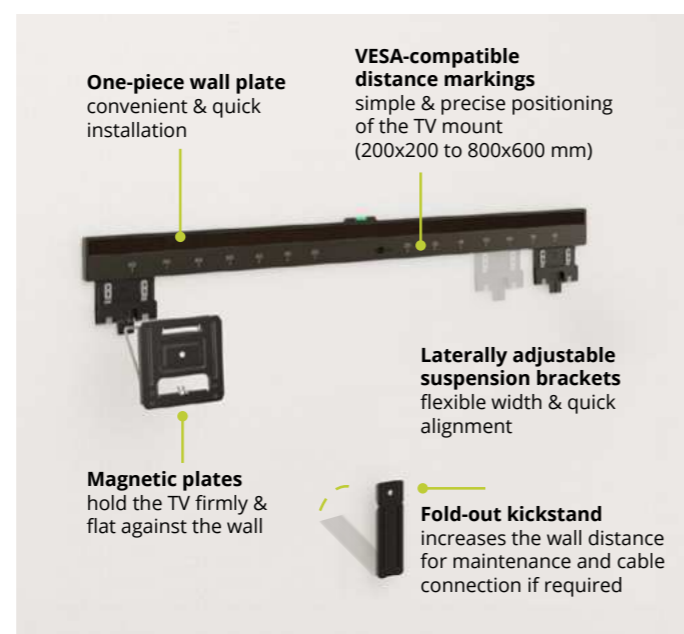

- Perfect for particularly large and heavy TV sets up to 100 inches (254 cm) and 75 kg, which can be easily and quickly attached using snap-on mounting
- For precise installation and alignment, the crossbar has convenient, VESA®-compatible distance markings and a built-in spirit level
- The suspension brackets are laterally adjustable and therefore easy to align with the VESA®-compatible markings
- The supplied support can be wedged between the appliance and the wall as required, creating space to simplify the process of connecting cables
- The TV wall bracket is suitable for most curved and flat screen TVs from popular brands, e.g. Samsung (QLED and LED), Sony, Philips and LG as well as many sizes, e.g. 50 inch, 55 inch, 58 inch, 65 inch, 75 inch, 85 inch
- Compatible with VESA® standards 200x200 mm, 300x200 mm, 400x200 mm, 300x300 mm, 400x300 mm, 400x400 mm, 600x400 mm, 800x400 mm, 800x600 mm

PROJECTOR CEILING MOUNTS

TOP PERSPECTIVES FROM ABOVE

SPACE-SAVING ON THE CEILING,
OUR MOUNTS KEEP A CLEAN LOOK IN YOUR HOME AND OFFICE

Projector Ceiling Mounts

Whether for a home cinema experience or presentations in the office: Our flexible mounts ensure a perfect, secure positioning of the projector and are easy to install. As they are discreetly placed on the ceiling, they also ensure a balanced room appearance.

Goobay

Projector Ceiling Mount (M)

for small to medium-sized projectors, fully movable up to max. 10 kg

- The distance to the ceiling can be adjusted via the two mounting pipes (130 mm or 200 mm) included in the delivery
- The ceiling bracket can be tilted up to 15° and rotated by 360°
- The projector can easily be adjusted via the integrated axle joint even after installation
- The internal cable routing ensures a tidy appearance

CARAVAN – TV WALL MOUNTS

TRAVELS WITH YOUR TV

WITH OUR MOUNTS, YOU CAN TRAVEL THE WORLD WHILE ENJOYING TV PROGRAMMES JUST LIKE ON YOUR SOFA AT HOME

Mounts for motorhome & caravan

The practical wall mount transforms your motorhome into a mobile home cinema: TV, movies and streaming for entertainment on the road and on vacation. For safe transportation -for a reliable hold and without annoying vibration noises while driving.

- Also suitable for heavy TV sets up to 30 kg
- Easy to install: In a first step, screw the TV to the mounting plate and in a second step, slide it onto the previously attached wall rail

Goobay Basic

TV Wall Mount Caravan FIXED (S),

mount for TVs from 13 to 27 inches (33–69 cm), max. 30 kg, ultra-flat design with only 15 mm wall clearance

- With a wall clearance of just 15 mm, the TV mount can be attached to the wall in a particularly flat and space-saving way
- The TV wall mount is suitable for most flat screen TVs from popular brands, e.g. Samsung (QLED and LED), Sony, Philips and LG, as well as for many sizes
- Compatible with VESA® standards 50x50 mm, 75x75 mm, 100x100 mm

74414 Brown Box RRP 9.99 €

Goobay Basic

TV Wall Mount Caravan FIXED (M),

mount for TVs from 23 to 42 inches (58–107 cm), max. 30 kg, ultra-flat design with only 18 mm wall clearance

- With a wall clearance of just 18 mm, the TV mount can be attached to the wall in a particularly flat and space-saving way
- The TV wall mount is suitable for most flat screen TVs from popular brands, e.g. Samsung (QLED and LED), Sony, Philips and LG as well as for many sizes (e.g. 32 inch, 40 inch, 42 inch)
- Compatible with VESA® standards 50x50 mm, 75x75 mm, 100x100 mm, 200x100 mm, 200x200 mm

74415 Brown Box RRP 19.99 €

- Designed for use in motorhomes or caravans, the wall mount has a locking mechanism and an anti-vibration joint for safe protection while travelling
- Easy to install: In a first first step, screw the TV to the mounting plate and in a second step, place it on the spike of the wall bracket
- Wall mounting is quick and easy with the included mounting material (incl. spirit level for precise alignment)
- The TV wall mount is suitable for most flat screen TVs from popular brands, e.g. Samsung (QLED and LED), Sony, Philips and LG as well as for many sizes (e.g. 32 inch, 40 inch, 43 inch)
- Compatible with VESA® standards 75x75 mm, 100x100 mm, 200x100 mm, 200x200 mm

Goobay Basic
